

## ***FIGURAZIONE in Tax Stamps News from the European Reconnaissance International Company***

The European RECONNAISSANCE INTERNATIONAL COMPANY presented in its issue No. 11 of the Tax Stamp News Reconnaissance publication the results achieved by the Brand Protection System implemented by FIGURAZIONE in Quindio Governorship to protect against counterfeiting Rent Stamps.

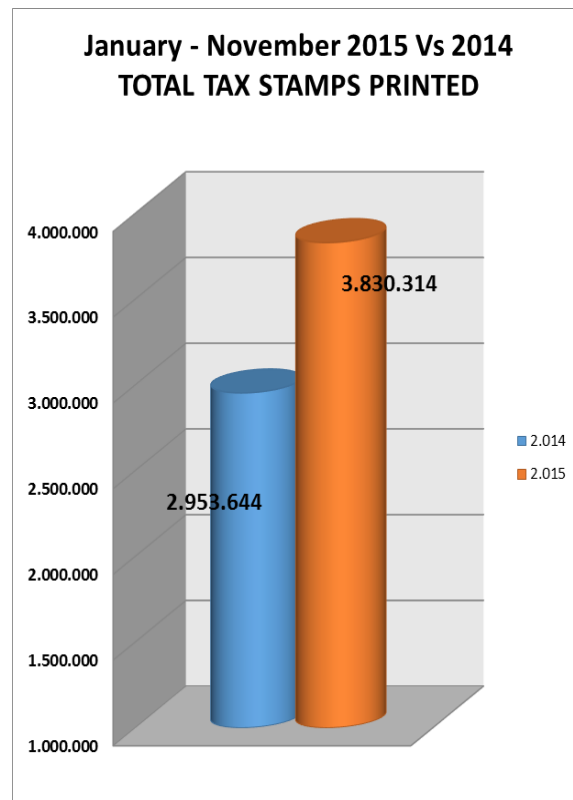

### **RECONNAISSANCE TAX STAMP NEWS™**

**VOLUME 7 – NO 11 / NOVEMBER 2015**

In this edition, the results of the increased consumption of Income Stamps were given for the period of January to October of 2014 vs. 2013, in which we were able to increase consumption by 35.3%, coming from supplying 1,913,176 stamps in Oct to Dec 2013 to supplying 2,588,642 stamps in the same period of 2014:

Following the same pattern of increment consumption of Income Stamps, FIGURAZIONE reported growth of 29.7% for the period between January and November 2015 Vs 2014:

Once again is evident that the Brand Protection Systems implemented by FIGURAZIONE meets the goal of cost-benefit analysis.
